

***A Bridge to the Past* - presentations dates and locations, August 2015**

The Fairbairn House Heritage Centre, a primary project partner, provided the home base for this production. Performances on Fairbairn's outdoor stage turned out to be so popular that *A Bridge to the Past* was presented there on seven separate dates.

The other presentations were also all held within the Outaouais region: in the MRC des Collines-de-l'Outaouais, the MRC de la Vallée-de-la-Gatineau, and the MRC du Pontiac. Performances were sometimes linked to local events being held at the various regional venues, as shown in the list below (attendance numbers per presentation are shown in parentheses).
